Binding Information

You may choose from one of the options listed below by checking the box.

{ } **Full Restoration** – Old glue is carefully removed from the spine and new glue and backing is applied. If needed, endsheets are replaced unless they are of a special nature or have writing on them. The old covers are refurbished. If the spine piece is broken or cracked from the covers, a new spine is built and the old spine is re-attached over the new. The cost depends upon the amount of time for each restoration. Minimum cost is \$125.00 for smaller books and \$200.00 for larger books like Old Family Bibles and Plat Books. A \$100.00 down payment is required to start any work on a restoration. We will give a full estimate before any work is begun.

{ } **Rebind in Old Cover** – Cost is typically \$60.00 - \$70.00 for books up to 8 ½" x 11" where the cover is still in one piece. If the spine is broken away from the front or back cover, there will be an additional cost of \$25.00 - \$85.00 depending upon the type of book and time needed to rebuild the cover. (For the options of making a new color copy cover from the old cover, or gluing the old cover over a new cover, see the "Rebind or New Bind Order Form".) A \$50.00 down payment is required to start any work on a book that will be rebound in its old cover. We will give a full estimate before any work is begun.
